

## Wheelchair Lap Quilt

Finished size 27" wide x 36" tall (For tall person add another row at top -- 27" x 45")

Need 11 quilt blocks ---each is 9 ½" unfinished, 9" finished  
(be prepared to cut one in half along diagonal)

Examples:

Assemble blocks as shown:

Layer quilt top and batting and backing.

Machine quilt or tie down as desired. Add binding.

Another finishing option: place backing then quilt top with **right** sides together, add layer of batting on top, stitch all the way around (1/2" seam) leaving an opening (5-6" long) to turn quilt inside out. Turn quilt inside out. Slip stitch opening closed. Then machine quilt, hand quilt or tie down quilt to finish. Add a Crosstown Quilters label.
